

FIRST ANNOUNCEMENT

8th Serbian-Croatian-Slovenian Symposium on Zeolites

3 - 5 October 2019.
Belgrade, Serbia

CHAMBER OF
COMMERCE AND
INDUSTRY OF SERBIA

Scope of the Meeting

This symposium is dedicated to zeolites and related materials (natural and synthetic micro and mesoporous materials with ordered nanostructure). The contributions related to all aspects important in the investigation and application of such materials: synthesis, modification, characterization and applications in: catalysis, adsorption, pharmacology, energy conservation, as well as in all aspects of environmental protection, are welcomed.

Scientific Programme

The Symposium will include plenary and invited lectures as well as oral presentations. Details will be announced through the website.

Language

The official language of the Symposium is English.

Plenary Speakers:

Prof. Dr. **Roger Gläser**,
University of Leipzig, Germany

Prof. Dr. **Athanasios Godelitsas**,
University of Athens, Greece

Prof. Dr. **Arnaud Travert**,
University of Caen, France

Prof. Dr. **Valentin Valtchev**,
University of Caen, France

Key dates

Abstract submission opens:
15th February 2019

**Deadline for submission of
abstracts:** 1th May 2019

Notification of acceptance:
1th June 2019
